

# Vending Key Fob Ordering Instructions

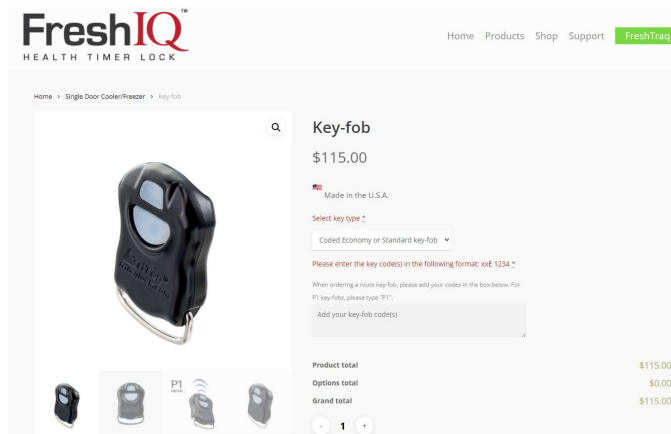

1. Identify the key code. The key code is engraved on the back of the key fob. It is an alphanumeric code containing 3 letters followed by 4 numbers – as shown in the picture.

There is also a factory key fob that has the code P-1, which can also be ordered.

2. Buy the key fob from the FreshIQ web store using the link below. Be sure to enter the key code you will need. [Key-fob – FreshIQ lock](#)

There is a 5 business day lead time.

3. When the order is placed, you will receive an order confirmation by email.
4. Questions? Email [sales@triteqlock.com](mailto:sales@triteqlock.com).

Note – if you don't know the key code stored in your lock, see this document. [Lost Key Fob Ordering Instructions.pdf \(triteqlock.com\)](#)
